The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

#22 JANUARY 17, 2012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

APPROVAL OF AGREEMENT #11-0380-SF WITH THE CALIFORNIA DEPARTMENT OF FOOD AND AGRICULTURE FOR THE PEST EXCLUSION/DOG TEAMS PROGRAM (ALL DISTRICTS) (3-VOTES)

SUBJECT

The Pest Exclusion/Dog Teams Program is designed to detect, for inspection, unmarked incoming shipments of agricultural commodities, such as plants, flowers, and produce. Inspections are conducted at express carriers, such as UPS, FedEx, and air freight terminals, as a primary defense against introduction and spread of exotic pests and diseases subject to quarantines. There is no County cost associated with this program.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Agricultural Commissioner/Director of Weights and Measures (Commissioner/Director) to sign the accompanying agreement (#11-0380-SF) with the California Department of Food and Agriculture (CDFA), which reimburses the County in the amount of \$653,624 for the term beginning July 1, 2011, through June 30, 2012, for work conducted by the Department of Agricultural Commissioner/Weights and Measures (ACWM) for the Dog Team Parcel Inspections Program.
2. Authorize the Commissioner/Director to amend the contract agreement in an amount not to exceed 10 percent of the original contract, at no County cost, subject to review and approval by County Counsel and the Chief Executive Office and notification to the Board offices

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Your Board approved a similar agreement with CDFA in 2010. Approval of the recommended actions will enable ACWM, through the Pest Exclusion/Dog Teams Program, to readily detect and inspect unmarked packages that contain fruits, vegetables, and plant material to prevent the entry of exotic plant pests and diseases into Los Angeles County.

The County Pest Exclusion/Dog Teams Program, through the scope of work and revenue provided through this agreement, provides for inspection of air freight terminals and express freight facilities through which agricultural commodities, such as plants, flowers, and produce, are routinely shipped. While such shipments are required by law to be appropriately labeled as containing plant material, there exists frequent non-compliance with such marking requirements, particularly in the case of non-commercial parcel shipments, presenting a significant threat of introduction of exotic pests that pose risks to the agricultural industry, native plant species, decorative landscaping, and the environment. Detector dogs are highly trained to identify, through smell, the presence of plant material, providing invaluable assistance in detecting such shipments that would go unnoticed by human inspection personnel. Prevention of pest introductions significantly reduces the need for costly pest eradication activities and resulting needs for increased applications of pesticides in Los Angeles County.

ACWM has consulted and worked collaboratively with shippers and receivers to assist in preventing the entry of exotic plant pests and diseases.

Implementation of Strategic Plan Goals

Awarding the agreement meets the County's Strategic Plan Goal of Operational Effectiveness. The Pest Exclusion/Dog Teams Program significantly reduces the risk of new pest introduction, which reduces the need for pesticide applications against new pests in the County.

FISCAL IMPACT/FINANCING

Under this agreement, CDFA will provide funding in the amount of \$653,624 for work performed by this Department for the period July 1, 2011, through June 30, 2012. Based upon the work parameters of this agreement, there are no net County costs. The revenue was included in the Department's Fiscal Year 2011-2012 Final Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract applies to the period of July 1, 2011, through June 30, 2012.

As part of the pest prevention program mandated to the CDFA under California Food and Agricultural Code (FAC) sections 5023-5024, private parcels shipped by parcel delivery companies, such as FedEx and UPS, are inspected to ensure freedom from agricultural pests. The use of specially trained detector dogs enhances the County's ability to inspect such parcels.

In Fiscal Year 2009 – 2010, CDFA received supplemental funding for the program through the Federal Farm Bill. The funding for this program from the Federal Farm Bill is expected to incrementally increase through 2014.

Agreement #11-0380-SF has been reviewed by County Counsel and is approved as to form.

This cooperative agreement is presented for approval after the start of the fiscal year due, in part, to

late issuance of the draft agreement by CDFA. The original draft agreement was not submitted by CDFA to ACWM until August 11, 2011. Other internal delays occurred in evaluating the draft agreement, submitting it to County Counsel for review, and in preparing Board correspondence, which ACWM will take measures to prevent in the future.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended Board action will support program services for the entire 2011-2012 Fiscal Year.

Respectfully submitted,

In the event of such termination the State may proceed with the work in any manner deemed necessary by the State. All costs to the State will be deducted from any sum due the Recipient under this Agreement and the balance, if any, will be paid to the Recipient upon completion of the work.

14. Reporting Requirements
